- Currently over 500 units working for over 200 clients across 7 countries. Airwallet have a month on month growth rate of 15-20% for the past 12 months

# What makes Airwallet unique

- Administration free plug and play solution - No wasted time on bookkeeping, collecting coins or replacing fobs
- Refunds are issued by the laundry operator - no need to involve the payment provider
- Fully transparent fixed monthly fee
- Utilizes users' 3G/4G/5G/ to verify payments - no need for installed internet connection or SIM cards
- Stable and user-friendly app and accessible dashboard with statistical reporting and increases customer satisfaction
- Simple booking system gives higher utilization of the machines

# Benefits of Airwallet for Distributors

Support with 95% of  
problems solved  
immediately

Stable and administration-free  
system that can be run by the  
laundry operator

# Benefits of Airwallet for Laundry Operators

Fully transparent fixed monthly fee with no surprising extra costs

Administration free - No wasted time on bookkeeping, collecting coins, replacing fobs or requesting refunds

Stable and user-friendly app and accessible dashboard increases customer satisfaction

# Benefits of Airwallet for Laundry Operators

No need for internet  
connection

Vandalism of coin  
box is removed

Increase usage per machine  
due to booking system

# Benefits of Airwallet for tenants/end-users

A time-saving  
booking system

No need for acquiring coins  
or remembering fobs

# Easy to set up

1. Activate unit  
on dashboard

2. Install unit  
inside machine

# Easy to Use

Download App

Login or  
Create User

Pay for  
the desired wash

# Money flow

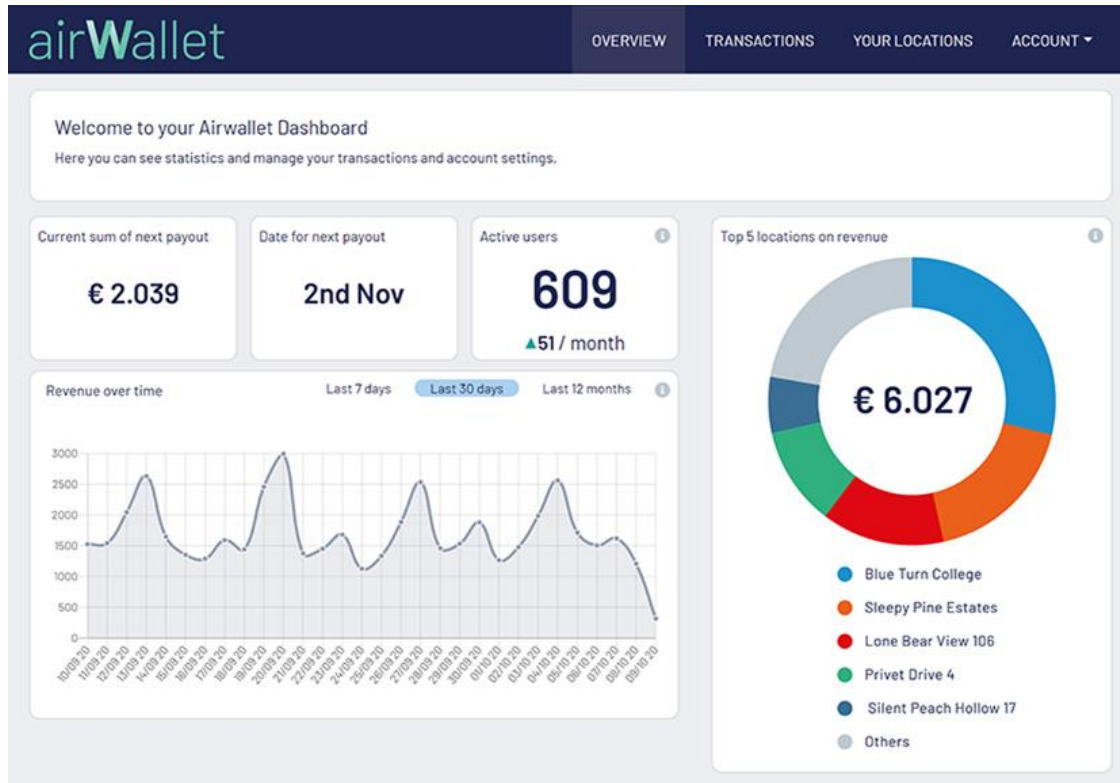

## Administration

Funds are automatically transferred in one transaction to laundry operators account in the start of each month.

Airwallet automatically sends a specification of total revenue and the payout.

# Keep Track on all Your Locations

The screenshot displays the 'YOUR LOCATIONS' section of the airWallet interface. It features a dark blue navigation bar with the airWallet logo and four menu items: OVERVIEW, TRANSACTIONS, YOUR LOCATIONS (which is highlighted), and ACCOUNT. Below the navigation bar, the 'YOUR LOCATIONS' title is followed by six location cards arranged in a 2x3 grid. Each card provides the location name, a 'Last 30 days' summary, and specific performance metrics.

Location	Last 30 days	Daily starts per device	Revenue
<u>Adapteo 45219317...</u>	Last 30 days	2.09	6,280 EUR
<u>Vollmose Allé 10 45380751</u>	Last 30 days	2.41	6,410 EUR
<u>Mobilehouse 45370248</u>	Last 30 days	1.98	2,380 EUR
<u>E/F Amicisvej 45347402</u>	Last 30 days	0.72	430 EUR
<u>A/B Woltersgade 45341984</u>	Last 30 days	0.65	429 EUR
<u>Elbahus, Elbagade 16 45361165</u>	Last 30 days	1.34	2,299 EUR
